B. Titles herein shall be defined to include the plural as well as the singular and shall include males as well as females.

ARTICLE II: TOWNSHIP RIGHTS AND RESPONSIBILITIES

A. In order to effectively administer the affairs of the Township and to properly serve the public, the Township hereby reserves and retains unto itself, as the public employer, all the powers, rights, authorities, duties and responsibilities conferred upon and vested in it by law or by prior written agreement. Without limitations, the Township's prerogatives include the following rights:

1. To manage and administer the affairs and operations of the Township.
2. To direct the Township's work force and its operations.
3. To hire and promote.
4. To demote, suspend, discharge or otherwise discipline employees for a just cause.
5. To maintain and promote efficient Township operations.
6. To determine the methods, means, job classification and

qualified personnel by which such operations are to be conducted.

7. To relieve personnel from duty for any legitimate reason.
8. To determine work schedules and, through the office of the Superintendent, establish methods and processes by which such work is to be performed.
9. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, dismissal or demotion with just cause.
10. To promulgate rules and regulations, from time to time, which may effect the orderly and efficient administration of municipal government.

B. With respect to Paragraph A above, the Township's use and enjoyment of its powers, rights, authorities, duties and responsibilities, the adoption of its policies and practices or the promulgation of rules and regulations in furtherance thereof, and the exercise of discretion in connection therewith, shall be limited only by the terms of this Agreement and to the extent that the same conforms to the laws of New Jersey and of the United States of America.

C. The Township in conducting its affairs and Employer Rights and Responsibilities shall comply with the New Jersey State Department of Personnel regulations and the law commonly referred to as, "Civil Service".

ARTICLE III: GRIEVANCE PROCEDURE

A. Definition

A grievance means an appeal concerning the interpretation, application or violation of this Agreement. Employees shall have the right to grieve all work disciplinary actions not covered by an appeal procedure of the Department of Personnel and the right to grieve the propriety of work rules within fifteen (15) calendar days of their promulgation. The term grievance and the grievance procedure set forth herein shall not apply in the following instances:

1. Matters which involve the interpretation or application of a Department of Personnel Rule or Regulation.

2. Matters where the municipality is without authority to act or where the Township's designated representative has authority to act in his or her discretion.

B. Purpose

1. The purpose of this procedure is to secure at the lowest possible administrative level, an equitable solution to the problems which may arise effecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate to the circumstances and as confidential as may be permitted by law.

2. The parties agree that disputes should be resolved at the lowest possible administrative level. Thus, the parties shall encourage the informal resolution of disputes by discussions of complaints between an individual (with a representative if so desired) and his/her immediate superior and only in the event that such discussion fails to produce a satisfactory adjustment of the complaint shall it be reduced to writing and submitted as a grievance.

C. Procedure

1. An aggrieved employee or his/her Union representative at the request of and on behalf of an employee must file the grievance in writing with the immediate supervisor within fifteen (15) calendar days of the event giving rise to the grievance. The grievance shall state the date of the event and the names of all persons involved and shall reference the relevant section or sections of this Agreement. Failure to submit the grievance within said time period shall constitute an abandonment of the grievance.

Step 1. Once timely filed, the aggrieved employee (representative) shall discuss the grievance with his/her immediate supervisor. If the grievance is not resolved satisfactorily or if no resolution is made within seven (7) calendar days by the immediate supervisor, the employee or his representative must present the grievance within seven (7) calendar days to the department head, in the event the immediate supervisor is not the department head.

Step 2. In the event there is not a satisfactory resolution of the grievance at Step 1, or a decision rendered within seven (7) calendar days, the aggrieved employee or representative shall present the grievance in writing to the Township Manager within ten (10) calendar days after the response of the department head is due or received, whichever occurs first. Such statement shall set forth the reasons why the grievant contends the department head's decision is incorrect, shall specify the provision or provisions of this Agreement alleged to be violated and propose the purported corrective action to be taken by the Township. The Township Manager, or his designee, shall review the decision of the department head together with the statement submitted by the grievant and such other evidence as may be submitted and shall respond to the grievant and/or representative within ten (10) calendar days.

Step 3.

1. Should the grievant (representative) disagree with the decision of the Township Manager, the grievant (representative) may, within ten (10) calendar days after the response of the Township Manager is due, submit to the Township Council by service upon the Township Manager, a statement in writing and signed as to the issue or issues in dispute. Such statement shall be filed along with:

- a. Copy of the written grievance.
- b. A statement of the results of prior discussions thereon.
- c. A statement of the grievant's dissatisfaction with such results.

2. Where the grievant requests in writing a hearing before the Township Council, a hearing shall be held at its next regular meeting so long as the request is received at least seven (7) calendar days before such meeting. If seven (7) calendar days advance notice is not received, the hearing shall be held not later than the second regular meeting following receipt of notice. If the grievant in his/her appeal does not request a hearing, the Council may consider the appeal on the written record submitted to it, or may on its own, conduct a hearing; or it may request the submission of additional written material.

Where additional written materials are requested, copies thereof shall be given to the aggrieved employee who shall be entitled to have a representative at a hearing if one is held.

3. The Council shall make a determination within fifteen (15) calendar days after a hearing if one is held, or if not held, thirty (30) calendar days after the grievant submits the grievance to the Council through the Township Manager. Such determination shall be given in writing to the aggrieved employee, and his/her representative, if there is one.

Step 4.

1. In the event the grievance is not resolved at Step 3 or a decision is not rendered by the Township Council within the time provided above, the Union may elect to have the matter submitted to arbitration and shall file for such arbitration with the Public Employment Relations Commission within fifteen (15) calendar days after the decision of the Township Council or when that decision was due. However, the arbitration shall be held no sooner than thirty (30) days from the date arbitration is requested by the Union.

2. Arbitration

a. The arbitrator shall be selected in accordance with the rules and regulations of the Public Employment Relations Commission.

b. The arbitrator shall conduct a hearing and shall render his decision in writing with findings of fact and conclusions.

c. The arbitrator shall not add to, subtract from, modify or amend this Agreement in any way.

d. Only one (1) issue, including a group grievance arising out of the same facts may be submitted to an arbitrator unless the parties agree otherwise.

e. The decision of the arbitrator shall be final and binding subject to the New Jersey Arbitration Act N.J.S.A. 2A:24-1, et seq.

f. The cost of the arbitrator will be borne equally by the Union and the Township and all other expenses incurred by either side, including presentation of witnesses, will be borne by the side incurring same.

D. Miscellaneous

1. In the presentation of a grievance, an employee shall have the right to present his/her own appeal or to designate a representative to appear with him/her at any step in his/her appeal.

2. Whenever the employee appears with a representative, the Township shall have the right to designate a representative to appear at that step of the grievance procedure.

3. Either the Township or the aggrieved employee may waive any of the steps of the grievance procedure, but both parties must agree to the waiver and the waiver shall be memorialized in writing.

4. The time limits set forth herein shall be strictly adhered to and may be waived only in writing. If any grievance is not initiated within the time limit specified, the grievance shall be deemed to have been waived. If any grievance is not submitted to the succeeding step in the grievance procedure within the time limits prescribed, then disposition of the grievance at the prior step shall be deemed to be conclusive.

5. In the event the Township fails to respond to a grievance in writing within the time limits specified, then the failure to respond shall be construed as a negative response and the aggrieved employee may proceed to the next step in the grievance procedure.

ARTICLE IV: AGREEMENT NOT TO STRIKE

A. The unit employees and the Union acknowledge that the need for continued and uninterrupted operation of the Township's departments and provision of municipal services is of paramount importance to the citizens of the community and that there should be no interference with such operations.

B. The Union covenants and agrees that neither the Union nor any person acting in its behalf will cause, authorize, engage in, sanction, assist or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty or willful absence of an employee from his position, or stoppage of work or abstinence in whole or in part, from the

full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout or other job action against the Township. The Union agrees that such action would constitute a material breach of this Agreement.

C. The Union agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown or other activities aforementioned, and from supporting any such action by any other employee or group of employees of the Township, and that the Union will publicly disavow such action and order all such members who participate in such activities to cease and desist immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union's order.

D. In the event of a strike, slowdown, work stoppage or other activity aforementioned, it is covenanted and agreed that participation in any such activity by any employee covered under this Agreement shall entitle the Township to take any disciplinary action up to and including termination of the employment of such employee or employees.

E. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity in the event of such breach by the Union or its members.

ARTICLE V: VACATIONS

A. Employees shall be granted vacation leave based upon length of service, pursuant to the following schedule:

For purposes of computing such entitlement, vacation allowance for the current year shall be pro-rated upon the number of months worked in the calendar year in which the termination from service becomes effective.

F. Within the earned vacation allotment, fifty (50) percent of the DPW hourly unit employees will be allowed a vacation or personal day in accordance with Article V - B and Article VIII - E on the day before or the day after a holiday.

G. Employees on the payroll as of January 1 of any calendar year shall, on that January 1st, be credited in advance with vacation entitlement in accordance with the foregoing schedule, provided however, that if the employee works less than twelve months in the calendar year, he/she is entitled to a pro-rata share of such vacation entitlement. An employee who has used more vacation time than he/she is entitled to at the time of his/her severance shall have an amount equal to his/her daily rate at the time of severance, deducted from his/her final pay for each day of vacation the employee has used in excess of the number of days to which he/she is entitled.

H. If an employee is on vacation and becomes sufficiently ill or has to require hospitalization of four (4) days or more, he may have such period of illness and post-hospital recuperation

E. Regular Holidays

Any employee required to work on any of the above regular holidays, excluding Thanksgiving and Christmas, or required to work on Sunday, shall receive double his normal hourly wage, said payment to be included in the next regular payroll.

ARTICLE VII: SICK LEAVE

A. Definition:

1. "Sick leave" shall be defined as an authorized absence from duty by an employee due to illness, accident or exposure to a contagious disease, or due to a member of the employee's immediate family being seriously ill thus requiring the care or attendance of the employee. Routine medical and dental treatments or procedures are not included in the definition of sick time.

2. For the purpose of this Agreement, exposure to a contagious disease must be verified in writing with particulars, by a licensed physician, or if as a result of the employees official duties, a certificate from the Department of Health, shall be required. In addition to the foregoing, the Township may require proof of illness of employee on sick leave whenever such requirement appears warranted under the circumstances. Abuse of sick leave shall be cause for disciplinary action.

3. Immediate family shall include the employee's spouse, children, grandchildren, brothers, sisters, parents, grandparents, as well as the parents, children, brothers, sisters of the employee's spouse. In order to qualify for the purposes of this section of the Agreement, the member(s) of the immediate family must also reside in the employee's household.

B. Each employee who has exhausted his sick bank for two consecutive years shall be required to provide a physician's verification after seven (7) undocumented absences the following year. This requirement shall remain in effect until the employee has improved his attendance. All sick leave over the said seven (7) days must have written verification from a physician.

Expenses incurred for verification of sick leave will be reimbursed by the Township, which shall then have the right to recover from the employee's medical insurance. This shall not apply to employees who document an extended injury or illness.

C. If the Superintendent of Public Works approves sick leave after a winter storm consisting of eight (8) consecutive hours worked, such sick leave shall be excluded from the documentation requirements of Section B.

D. If any employee is absent from duty due to illness for three (3) consecutive days, he must have a licensed physician's certification of illness.

E. When an illness is of a chronic or recurring nature, causing occasional absences of one day or less, one proof of illness shall be required for every six (6) month period. The proof of illness must specify the nature of the illness and that it is likely to cause periodic absences from employment.

F. Each employee shall be entitled to sick leave credits pro-rated at one and one-quarter (1 1/4) days per month from the date of employment. If separation from employment occurs before the end of said first year, and the employee has used more sick leave than accumulated, he shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of sick leave taken in excess of the number to which he was entitled.

G. Each employee will be credited fifteen (15) days of sick leave annually for each succeeding calendar year of full time employment, which is cumulative.

H. An employee, upon retiring or whose service with the Township is terminated under favorable conditions, shall be paid for 50% of his accumulated unused sick leave up to the maximum payments specified in the following schedule:

2016- and every year thereafter	\$15,000

I. An employee is required to notify the Department Head or his designee by 8:00 a.m. on each day of absence except where the employee has furnished medical evidence that extended absence is anticipated. In such circumstance, the employee will notify the Department Head or his designee on a weekly basis concerning his medical status. The notification shall be done by the employee and not a member of the immediate family unless the employee is critically ill and unable to make the telephone call. It is recognized that there may be instances when it is

impractical or impossible to give daily notice, as in the case when an employee is hospitalized or seriously disabled, in which case it shall be sufficient that the employee or a member of the employee's immediate family notify the Department Head, his designee or the Township Manager's office citing the reasons for such absence. Failure to report absences from duty for five (5) consecutive business days shall constitute a resignation pursuant to Civil Service Rules and Regulations.

J. Upon approval of the Township Manager, an employee must request a cash payment for a portion of accumulated sick time during the term of active employment. Such request for cash payment shall be at the employee's current rate of pay, with two hours accumulated sick time deducted from the accumulated sick time bank for each hour paid. Each request shall be individually judged based upon total time accumulated, township financial status and any other relevant factors. The Manager's approval shall not be unreasonably withheld, but a denial with good cause shall be final.

ARTICLE VIII: OTHER LEAVE

A. Each employee shall be allowed leave, with differential pay, if he is required to serve on jury duty. A written request for such leave shall be given by the employee to his supervisor at least two (2) weeks in advance. When granted said leave, an employee shall receive the difference between pay received for jury duty and the employee's wages for the leave period.

B. The Township shall provide bereavement leave with pay not to exceed three (3) consecutive working days one of which shall be the day of death or day of the funeral in the case of death of an employee's spouse, child, brother, sister, mother, father, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents or grandchildren. The Township Manager may approve additional bereavement leave for good cause (travel to funeral, delayed burial, etc.). Said leave to be charged to personal or vacation leave. The employee shall be allowed three days per incident, such leave being separate and distinct from other leave time. If a death occurs during an employees

scheduled vacation time, that employee shall receive replacement vacation time to be scheduled at a later date. In the case of the death of an employee's aunt or uncle, the employee will suffer no loss of one (1) days pay to attend the funeral.

C. Time off, other than sick leave, vacation, holidays, bereavement or military leave, may be authorized by the Township Manager. For leave without pay, the employee shall submit a written request to the Department Head or his designee at least thirty (30) days in advance stating the reason for such request and the time required. This request will be forwarded to the Township Manager and answered at least two (2) weeks in advance of the requested leave.

D. In cases of emergency, such as illness or accident, involving members of the employee's immediate family, the Township Manager, the Department Head or his designee shall be notified before the employee leaves the job and attends to such emergency. Any time so used shall be chargeable against sick leave for the day of occurrence. One (1) full sick leave day will be charged if the employee leaves the job before 11 a.m. No sick days shall be taken for less than one-half full day. Any additional time required shall be treated in accordance with Sick Leave (Article VII).

ARTICLE IX: INSURANCE

A. The employer will provide Life Insurance Plan, Family Health, Dental Plan and Long Term Disability Insurance for employees covered by this Agreement and their families. Said plans are annexed hereto as Schedule A. The policy shall be the Aetna Open Access Plan.

B. In the event the Association does not agree that the new plan(s) provide(s) in the aggregate substantially equivalent benefits, the Association may submit the matter to expedited arbitration prior to the expiration of the sixty (60) days notification by the Township for determination by an arbitrator prior to implementation of the new plan(s).

C. The cost and expense of single coverage health insurance premium shall be fully paid by the Employer. The cost and expense of the insurance plans herein for an employee and the employee's family is pursuant to the following schedule:

In the event that the employee subsequently becomes ineligible for coverage from the independent source, he/she may apply to rejoin the Township plan(s).

E. Retirement Medical Coverage

Employees covered by this Agreement who retire shall receive

during retirement all medical and dental benefits that would have been required to be paid by the employer had he/she continued in active employment, without any contribution from the employee, provided that where applicable:
